Cenacolo[®] :

**Persons, Groups, Relations, Communication, Competences,
Knowledge Sharing, Learning, Complex Dynamics Analysis**

La ricerca proposta è in grado di “accompagnare” le Aziende e le Persone verso:

- ✓ la misura delle percezioni, dei valori, delle competenze;
- ✓ la **riusabilità delle soluzioni** misurate attraverso le proprie tower of delivery;
- ✓ la velocità decisionale con tecniche di **People satisfaction, Process analysis** e **Cooperative working system**;
- ✓ il bilancio continuo del **capitale intangibile**;
- ✓ la costruzione di uno scenario previsionale
